

**DRUMMOND**™  
A LAWSON PRODUCTS BRAND

December 1, 2020

**Subject:** Letter of Guaranty – Drummond™ Free Flow Urinal Drain Opener and Odor Eliminator, DL4450

Lawson Products, as the distributor of the above named product, guarantees this product meets USDA guidelines in federally inspected food processing plants when used as directed below:

***NSF/USDA Category C2: Compounds for use in toilets and/or dressing rooms***

*This product is acceptable for use in toilets and/or dressing rooms of food processing establishments (C2) where edible products are neither processed or stored in open containers, provided that it is not used to mask odors resulting from unsanitary conditions, and that any characteristic odor or fragrance does not penetrate into an edible product area. If used on equipment that will be returned to a food processing area, the product must be completely washed off and rinsed with potable water before returning to the processing area. The final granting of authorization for the proposed use of such compounds is the responsibility of the Inspector-In-Charge of the official plant.*

Please refer to the product label and Safety Data Sheet (SDS) for product usage, any dilution instructions and safety information. Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below.

Sincerely,

Heather Buck,

*Sr. Director, Technical Services and Product Information Management*
