Subject: Letter of Guaranty – **Keynote Heavy Duty Cleaner Ready to Use** (DL1080)

To Whom It May Concern:

This letter certifies that **Keynote** is formulated consistent with the USDA *Guidelines for Obtaining Authorization of Compounds to be Used in Meat and Poultry Plants*. As such, **Keynote** is considered suitable for use in federally inspected poultry, meat, rabbit, and shelled egg plants if used in a manner consistent with the label directions. Used in this manner, **Keynote** will not have an adverse effect on food product or create unsanitary conditions.

Keynote is intended for use as a general cleaning compound on all surfaces with mechanical or steam cleaning devices.

When used in processing areas, food products and packaging materials must be removed from the room or carefully protected. After using **Keynote**, all surfaces must be thoroughly rinsed with potable water.

Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below or at the e-mail address regulatoryaffairs@lawsonproducts.com.

Sincerely,

Heather Buck
